

# Does Your Storage Infrastructure Need Penicillin?

**Data growth today can be as uncontrollable as the spread of bacteria.**

**So if you don't find a cure for it's expansion, your storage estate will quickly become unhealthy.**

**Otium Software's Utilistor™ suite of Storage Management products keeps watch over your disk capacities and reports on your data so that you can keep it under control**

**With pricing starting at less than £100 per server, our pricing won't make you ill either!**

**Providing the Obvious Answer**
